

Fitness Australia Network Membership Amendments

Please note in New Zealand the following benefits apply NOT what is listed on the new members' letter you would have received in your Network members pack.

- You can earn 10 CEC a year from completing and passing 3 of the 4 Network optional exams (These are all done via email, you email network and request these directly from them)
- Reebok have a discount deal arranged in NZ, you will log in to the Reebok NZ site using your REPs registration number and a password that will be sent to you as soon as we have finalized the username/log in details for each member.
- Free entry to fitness expos run/hosted alongside a Network Australia event. Eg AFN in Sydney at the same time as Filex.
- Access to CEC courses (note these are Australian based and varying rates of CEC will apply to what is listed for Australian residents)
- CEC management as mentioned in the letter is only for Network run courses/events only. (This is reflected in Australian CEC and will not equal the number of CEC you may earn in NZ)

Email bulletins, Discounts and Internet access to network resources are all available as listed on the new members' letter.

Please note that REPs does not keep your password details for network on line resources, so please do NOT throw away the letter from network as it lists your password.

All requests for lost passwords must be made directly with Network Australia.
