

# Want extra income? Let Us Help You Grow Your Business

We are looking for people in the health and fitness sector to work with us in a partnership. Work easy, and let us do all the hard yards. Add to you current income by arranging appointments around your current schedule or timetable.

## Free Training\*

VTI is a company formed to develop and market Whole Body Vibration (WBV) machines. We have developed our own vibration products and we directly control everything from design (in-house), to manufacturing (in Taiwan) and marketing (worldwide).

We will provide you with a **FREE** training course (including free flights and accommodation in Auckland)\*. We will provide you with all the information you will need to be a part of our company, **Vibration Technologies International (VTI)**, and provided you with plenty of back up and support. **PULSE TRAINER** manuals and other technical assistance provided by our consultant - Jay Harrison – BSc SP Ex Sci.

## Join the Club....

There are two sides to our **PULSE TRAINER**. On one we have retail outlets to provide the **PULSE TRAINER** to the public; on the other side is where you fit in. You will provide the expertise for WBV training and treatment. We will do this by giving all **PULSE TRAINER** customers a Consultation Voucher (to use with you) to assist in meeting their goals. You will then be paid out for all Consultation Vouchers you gather.\*

Also if a client wants to buy a **PULSE TRAINER** from you, we will pay you a handsome commission.

Our extensive advertising (TV and print) will state the existence of the **PULSE TRAINER CLUB**. All experts will have their contact detail listed for client access. We need your participation from every part of the country.

Now you are a **PULSE TRAINER CLUB** member what will we do for you?

1. We will advertise your practice and direct clients to you.
2. We will **REIMBURSE** you **\$50** for every consolation voucher you redeem.
3. The ability to sell **PULSE TRAINERS** to your clients and receive a **GENEROUS COMMISSION.**
4. An invitation to participate in our on-line chat room, here you can further your knowledge, make a contribution, ask a question or report progress you have had had with WBV.
5. Access to our VTI panel of experts to provide medical oversight. Our resident medical consultant is; Dr. Campbell Calder (MA Cantab MB BChir Cantab BDS)
6. \*Full travel cost reimbursement to attend our training seminar to be held in Auckland for 2 days (overnight). The purpose is to inform you on WBV, share ideas and protocols with the countries best qualified practitioners. We plan to hold these seminars at least once a year.

\*conditions apply
