

REPs Registration Application Form 2016-2017

From 1 October 2016 to 30 September 2017

IMPORTANT - Please read this before you start.

To successfully complete your application, you **MUST HAVE the following before you start**. Any missing parts will delay the processing of your application.

Qualification

All registration applications require you send a REPs recognised qualification, or completion of the Recognition of Current Competency (RCC) process. **Please see SECTIONS 12 & 13** for Information on the Qualification Options for REPs Registration.

First Aid/CPR Certificate

You are required to supply a copy of a current Comprehensive First Aid certificate, or if you are working exclusively from a Registered Exercise Facility, a current CPR certificate.

Payment

Before REPs can complete your application, payment must be made. If you elect to pay by monthly payments, you must post the Monthly Payment and Direct Debit form with your application.

Registration Period:

All registration payments are for an initial 12 month period from the date of registration. The registration year runs 1 October to 30 September, and registrations received part way through a registration year will receive a credit for use at re-registration.

Processing Time:

Our standard processing time is 10-15 days (This can be longer during our re-registration peak period of August - October).

Section 11: Terms and Conditions

I wish to apply for REPs registration and agree (**please read carefully**):

- To follow the REPs Code of Ethical Practice (a copy can be downloaded at www.reps.org.nz) and to be bound by any REPs complaints process
- That all information provided on this form is accurate and true.
- That REPs has permission to contact any third party to verify any details of my registration application. To also allow REPs to pass on any contact details to third parties that provide services (e.g. Australian Fitness Network, PT Council, Skills Active etc.), and for them to contact me.
- To undertake any audits or reviews REPs may undertake to verify my level of registration and/or competencies.
- To allow REPs to disclose to third parties my registration status, and any reasons for non-registration.
- To undertake any identified training or assessment at my own cost that REPs identifies as needed to maintain registration.
- For those with insurance, REPs reserves the right to change insurer at any time. This may result in changes to the terms and condition of the cover, but REPs will ensure the level of cover is comparable.
- To make payment of the registration fee to REPs, payment is for application, not acceptance. Refunds are not given for unsuccessful registrations.
- That all online forms completed in my name that correctly provide my date of birth and email address (the current address as notified to REPs) will be binding. I also agree to be bound by any electronic boxes.
- To keep my Comprehensive Workplace First Aid, or CPR certificate current at all times.
- To undertake sufficient ongoing education (Continuing Professional development). Currently 10 CPD Points are required each registration year.
- To maintain a current email address at all times, and receive all email communications from REPs.
- All payments for registration are for 12 months, and refunds are not given for change of mind, unsuccessful registration, or failure to meet registration standards. As the registration years runs from 1 October to 30 September, applications received part way through this period still pay for a full year, and receive a credit equal to the unused months which is applied on 1 October (e.g. a person registering on 1 March 2016 pays for a full 12 months, and first reregisters on 1 October 2016, with a 5 month credit. There are no refunds if the credit is not used at the first re-registration).
- This agreement is between the applicant as detailed in section 1, and the New Zealand Register of Exercise Professionals Limited.

By signing here I agree to the terms and conditions above

THE FOLLOWING SECTIONS PROVIDE DETAILED INFORMATION TO ASSIST IN COMPLETING SECTION 3 AND 4.

Section 12: Information on the Qualification Options to REPs Register

One of the core components of REPs registration is the requirement to hold the relevant knowledge, skills and competencies to operate as an exercise professional. Our register operates on a competency-based principle, which means that an individual must be able to show evidence that they have both the necessary knowledge (education) and skills (competencies) to perform their role.

The most common qualification pathway is to complete a course through a REPs Registered Education Provider. These are courses which have been verified by REPs as meeting the full qualification requirements at the relevant registration level. To view a list of REPs Registered Education Providers, please go to our website www.reps.org.nz and click on the 'Recognised Courses' option. Qualification can also be verified by demonstrating relevant industry experience and knowledge via pathway 3 and 4 below. The four qualification options to REPs register are detailed below:

Pathway 1: Qualification from a REPs Registered Initial Education Provider

By completing a qualification from a course which is already registered with REPs, you can seamlessly REPs register. These are courses which REPs have already verified as meeting the full qualification requirements for registration at the relevant registration level. Simply attach a copy of your course completion certificate to your registration application as proof. To view a list of REPs Registered Education Providers, please go to our website www.reps.org.nz and click on the 'Recognised Courses' option.

Pathway 2: Current Overseas Registration with an ICREPs Partner Register

If you are currently registered with an ICREPs partner register (International Confederation of Registers for Exercise Professionals), your overseas registration is recognised to meet the qualification requirements for the relevant NZ registration level. Our current partner countries are Australia, The United Kingdom, Ireland, South Africa and UAE. Simply attach a copy of your overseas registration certificate, or if this is unavailable, we will make contact with your overseas register to verify.

Please note: Pathways 3 and 4 below are provided by Skills Active who are the government recognised qualification standard setter for our industry. These pathways are available for an individual who has not completed a REPs Registered qualification. With these two pathways, there is a fee in addition to our registration fee, and is payable directly to Skills Active to undertake the process.

Pathway 3: Recognition of Current Competency (RCC) Process

This process is for an individual without a REPs recognised qualification, but holds other qualifications, and has the knowledge and competency required for REPs registration. The process involves the completion of an assessment, and providing other evidence (qualifications etc). This process doesn't involve

undertaking any further training or education. The individual should already hold all of the knowledge and competency required. The process involves mapping the individual's knowledge and competency against the industry's National Certificate qualifications.

Fees for the assessment(s)

One assessment: The majority of individuals will only require one assessment and the cost is \$311 (and paid to Skills Active).

Two Assessments: The following scenarios require two assessments:

- Personal trainer contractor where the individual doesn't hold both a registered exercise prescription and business skills qualification.

- An individual registering for both exercise prescription and group exercise, without registered qualifications for both registration levels.

The total fee for two assessments is \$622.

Provisional registration

Three months provisional registration is provided to allow for the assessment to be completed. Provisional registration provides the normal benefits of REPs registration (with the exception of international portability) including the professional insurance cover for personal trainer contractors.

REPs will contact you once we receive your application to confirm the assessment fee and process.

Pathway 4: Workplace based training via Skills Active

Only available to individuals operating from Skills Active recognised and REPs approved workplaces. These are CLM Fitness Centres, cityfitness, Les Mills and YMCA Auckland. Provisional REPs registration will be provided during the period of training. Please attach a copy of your completed Skills Active Training Agreement.
